

Synopsis

Topic 1. Differential diagnosis and management of Class III malocclusion with PSL and TAD (10.5hrs)

1. Three circle of Class III diagnosis
2. The Clinical meaning of the Class III growth
3. What we can learn from the long term follow up cases
4. using PSL's MEAW effect
5. using the buccal shelf screw
6. using the IZC (Infra Zygomatic Crest) screw
7. combination of the buccal shelf and IZC screws to treat severe Class III
8. Review of Class III literatures and it's clinical application
9. Management of Class III patients

Topic 2. Facts you need to know about Root Resorption (1.5hrs)

EARR (External Apical Root Resorption) is a devastating event which orthodontist has to deal in the routine practice, yet it is hard to predict. In this presentation, I will review the most relevant literatures and share my own long term follow up cases, hopefully to offer some helpful points to avoid EARR and how to deal with it.

About the Speaker

Dr. John Jin-Jong Lin D.D.S.M.S

Dr. Lin is a clinical professor in the Department of Orthodontics at Taipei Medical University and he is the past president of the Taiwan Association of Orthodontists. He maintains a private orthodontic practice. Dr. Lin has published "Creative Orthodontics, Blending the Damon System and TADs to Manage Difficult Malocclusions.", 1st edition 2007, 2nd edition 2010, 3rd edition 2017. "Class III Correction Orthodontics", 1st edition 2013. Dr. Lin has given four lectures in the AAO. Dr. Lin has given lectures for over 27 countries.

Dr. Lin's favorite topics includes:

- (1) Differential Diagnosis and Management of Anterior Crossbite
- (2) Class II treatment with headgear vs. bite jumping appliances
- (3) Clinical application of self-ligating brackets
- (4) Skeletal anchorage by using TADs

Lecture Outline

A Lecture 29 Sep 2019 (SUN) 9:00am - 5:30pm

1. Differential Diagnosis of Class III
2. Patiently using the precious E-space
3. Growth of Class III
4. Orthopedic Tx of Class III with Facial Mask + RME
5. The use of Passive Self Ligating brackets to treat difficult Class III
6. The use of early light short elastics is critical in the Tx of Class III

6 hrs **Topic 1**

B Lecture 30 Sep 2019 (Mon) 9:00am - 5:30pm

7. Extraction treatment in severe crowding case
8. The use of TADs to treat difficult Class III
9. What about Orthopedic Tx of Class III with Mini-plates?
10. What is the treatment limitation?
11. Facts you need to know about Root Resorption

4.5 hrs **Topic 1**

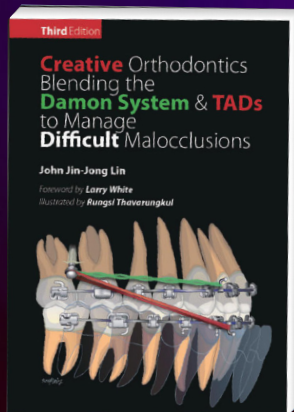

1.5 hrs **Topic 2**

Dr John Lin gave us a lecture at Hong Kong on 1 Sep 2000

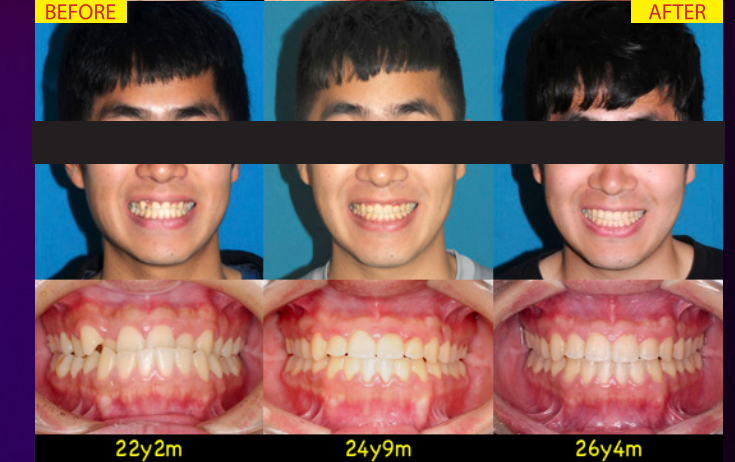

Creative Orthodontics Blending the Damon System & TADS to Manage Difficult Malocclusions [Third edition.]

John Jin-Jong Lin ;
foreword by Larry White ;
illustrated by Rungsi Thavarungkul

Topic 1. Differential diagnosis and management of Class III malocclusion with PSL and TAD

All the above cases were treated by Dr. John Jin-Jong Lin
